**PRODUCT STORY**

You're great by yourselves, but even better together! Made for you and your boo, this Dream Team Dark Bronzer will give you long-lasting dark color results. Real Deal Skincare Technology helps protect and perfect skin, while Quadruple Silicone Complex improves the formula's effectiveness and smooths skin. Vitamin Fusion provides essential nutrients for healthy-looking skin, as Intense Moisture Blend ensures dark color for days longer. You are #relationshipgoals and now #tangoals too!

"I wanted to create a lotion for couples that both people could use and love. Using this bronzer will make any duo a Power Couple! Xoxo" *JWOWW – Jenni Farley*

**COLOR TECHNOLOGY**

**Dream Team Dark Bronzer:** A unique combination of natural bronzers, including Caramel, Melanin, and Black Walnut Shell, impart a rich, dark hue immediately to the skin. Hesperidine, an active ingredient in Sweet Oranges, is known to help stimulate melanin production to produce a natural glow. DHA and Erythulose develop streak-free, long-lasting intense color results.

**SKINCARE TECHNOLOGY**

**Real Deal Skincare Technology:** Allantoin conditions and soothes skin for a perfected look. Grape Seed Oil is a powerful hydrator that also helps provide skin with a toned appearance. Hemp Seed Oil contains essential fatty acids that help protect and strengthen to help promote healthy-looking skin.

**Quadruple Silicone Complex:** A luxurious blend of Silicones help improve spreadability for enhanced effectiveness, while also smoothing and hydrating skin for prolonged color.

**Vitamin Fusion:** Vitamins B5, C, and E help provide nourishment, nutrients, protection, hydration, and radiance to the skin.

**Intense Moisture Blend:** Powerful combination of a humectant and emollients that help draw and seal in moisture to rehydrate skin to allow color development to last days longer.

**AVAILABLE SIZES**
