

Material Safety Data Sheet

VitaChlor Corporation
6050 East Hanna Avenue
Indianapolis, Indiana 46203

1.800.362.8714

Date: 3-28-00

SECTION 1: PRODUCT DATA

Product Name: Slenderquest Sea Clay

Product Class: Cosmetic Clay Product

Formula: A proprietary formula prepared from natural clays, herbal extracts, purified water, and cosmetic preservatives.

SECTION 2: FIRE AND EXPLOSION DATA

DOT Category: Cosmetic

Special Fire Fighting Procedures: None – non – flammable

Extinguishing Media: n/a

Flash Point: n/a

Unusual Fire and Explosion Hazards: none

SECTION 3: HAZARDOUS INGREDIENTS

None

SECTION 4: PHYSICAL DATA

Boiling Point: Greater than water

Vapor Pressure: n/a

Vapor Density: n/a

Evaporation Rate: n/a

Solubility in Water: Water Suspension

Appearance and Odor: Light Gray

Specific Gravity: Greater than Water

Percent Volatile by Volume: n/a

PH: 6.5

Percent Solid by Weight: n/a

Physical State at Room Temperature: Paste

SECTION 5: HEALTH HAZARD DATA

Effects of Overexposure: May cause slight rash in people having sensitive skin.

Discontinue if noticeable redness or puffiness develops.

Threshold Limit Value: Not Applicable

Emergency and First Aid Precautions:

Eyes: Avoid contact with eyes. If clay is splattered into eyes, flush eyes with cool water lifting the eyelids to insure that all the debris is removed. Consult a physician if irritation develops. Natural clays have abrasive character and can injure sensitive tissue as in eyes.

Ingestion: Do not swallow. Clay mixture is non-toxic, and it is unlikely that significant amounts of the clay emulsion will be swallowed. Large amounts in the mouth could cause a choking effect in small children. If such a freak accident should occur, open the mouth and clear away the clay. Rinse with water to clean the mouth. Call a physician if difficulty arises. Otherwise keep away from small children.

SECTION 6: REACTIVITY DATA

Stability: Stable under normal use and storage conditions.

Hazardous Polymerization: None

SECTION 7: SPILL OR LEAKAGE PROCEDURES

Sea Clay Masque components will return naturally to the earth without disturbing anything. Simply clean up the spill and place the waste into normal waste handling containers.

SECTION 8: SPECIAL PRECAUTIONS

Handling Storage: Store in a cool area (less than 90F).

Other Precautions: None

SECTION 9: SPECIAL PROTECTION INFORMATION

Respiratory Protection: None needed for normal use.

Ventilation: None needed.

These data are offered in good faith as typical values and not as a product specification. No warranty, either expressed or implied, is hereby made. The recommended industrial hygiene and safe handling procedures are believed to be generally applicable. However, each user should review these recommendations in specific context of the intended use and determine whether they are appropriate.
