PRODUCT STORY—Classic Comeback Collection

Take a walk on the wild side and reveal your inner bad girl! **This Sultry DermaDark® Bronzing Blend** is specially formulated with immediate bronzers that provide instant dark color and an enhanced bronzed glow for longer-lasting results. Fresh Coffee Berry Brew provides the skin with antioxidants that help protect and energize for an overall alluring appearance. **NeverFade™ Tattoo Technology** deeply hydrates to make ink colors more vibrant, while the Conditioning Complex guards against free radicals revealing a youthful complexion. No one will be able to deny your **Wicked Lovely™** color!

COLOR TECHNOLOGY

Sultry Bronzing Blend: A powerful blend of Natural Bronzers and Melanin Activating Peptide provides immediate color development for instant gratification and an added color boost by stimulating the synthesis and activity of Tyrosinase during the tanning process for a longer-lasting bronze glow.

DermaDark® Bronzer: Powerful natural color enhancer that helps build color gradually without the need of UV exposure.

SKINCARE TECHNOLOGY

Berry Brew: Yumberry and Goji Berry provide rich antioxidants which help protect and nourish the skin with vitamins and nutrients for a smooth tanning canvas and improved skin texture.

Coffee Extract: Known to rejuvenate and energize the skin for an overall more toned appearance.

NeverFade™ Tattoo Technology: Proprietary ingredient blend helps hydrate and moisturize for more vivacious ink colors and hydrated skin for longer-lasting dark color.

Conditioning Complex: Hemp Seed Oil and Vitamin A work together to help protect and strengthen the skin for a radiant, youthful appearance.

Coconut Oil: Known to act as an effective skin moisturizer that helps to alleviate dry skin conditions while improving overall skin health for more smooth and supple appearance.

Tea Tree Oil: A pure essential oil, known to have natural odor fighting properties, which help prevent after tan odor from developing.

AVAILABLE SIZES

8.5oz Tube | .5oz Packette

ADDITIONAL INFORMATION
